HUMAN RIGHTS COUNCIL
Eighth session
Agenda item 3

**PROMOTION AND PROTECTION OF ALL HUMAN RIGHTS, CIVIL,
POLITICAL, ECONOMIC, SOCIAL AND CULTURAL RIGHTS,
INCLUDING THE RIGHT TO DEVELOPMENT**

**Protect, Respect and Remedy: a Framework
for Business and Human Rights**

**Report of the Special Representative of the Secretary-General
on the issue of human rights and transnational corporations
and other business enterprises, John Ruggie**

Summary

Responding to the invitation by the Human Rights Council for the Special Representative of the Secretary-General on the issue of human rights and transnational corporations and other business enterprises to submit his views and recommendations for its consideration, this report presents a conceptual and policy framework to anchor the business and human rights debate, and to help guide all relevant actors. The framework comprises three core principles: the State duty to protect against human rights abuses by third parties, including business; the corporate responsibility to respect human rights; and the need for more effective access to remedies. The three principles form a complementary whole in that each supports the others in achieving sustainable progress.

Freedom from poverty as a human right: economic perspectives Andreassen, Bard A., Marks, Stephen P., Sengupta, Arjun, 2010-06-04 *Military Assistance on Request and the Use of Force* Erika De Wet, 2020 This book examines the extent which the proliferation of military assistance on request is changing the rules governing the use of force The author explores the authority to make these requests particularly during civil wars where some territorial control may be lost and there is a risk of systematic violations of international humanitarian law **Old Conflict, New War** U. Ben-Eliezer, 2012-08-08 The book provides a comprehensive sociological and cultural explanation of Israel's politics toward the Palestinians covering the period of the Oslo Accords and the Second Intifada and focusing on the concept of a new war that is an outgrowth of internal relations within Israel itself and the diversionary politics of its leadership *Protection of Human Life at Sea in International Law* Aphrodite Papachristodoulou, 2025-05-30 The law of the sea imposes a long established duty to rescue persons in distress which connotes one of the most important tools in safeguarding safety of life at sea Other rules of international law namely international human rights and refugee law also come into play in drawing the legal parameters for the conduct of rescue operations Amid the thousands of people undertaking perilous sea journeys in search of safety European legal responses have primarily focused on the securitization of migration This book exposes the human rights violations that may be perpetrated against migrants attempting to cross the Mediterranean and strongly advocates for the development of a framework for operationalizing the protection of human rights and life at sea It combines theory and practice in which philosophical theories of rights are applied to create a framework for legal analysis and the development of practical legal standards The study presents an innovative evaluation of selected judgments of the European Court of Human Rights and other international human rights bodies pertaining to complex questions of extraterritorial jurisdiction and a State's human rights obligations towards persons in distress at sea The book will be of interest to all those engaging with migration and security studies international human rights scholarship international law of the sea refugee and migration law and legal philosophy whether generalist or specialist **Advanced Introduction to Business and Human Rights** Muchlinski, Peter T., 2022-07-19 Focusing on the adoption of the UN Guiding Principles on Business and Human Rights UNGPs in 2011 this timely book charts the field of business and human rights finding that corporate responsibility to respect human rights is gradually evolving into a binding legal duty in both national and international law Following the structure of the UNGPs Peter T Muchlinski also covers the state duty to protect against business violations of human rights the corporate responsibility to respect human rights and access to remedies for corporate violations of human rights Networked Governance, Transnational Business and the Law Mark Fenwick, Steven Van Uytsel, Stefan Wróblewski, 2013-12-05 This book brings together a unique range of case studies focusing on networks in the context of business regulation The case studies form the basis for an interdisciplinary dialogue on the meaning value and the limits of the network concept as a tool for

understanding and critically evaluating the emergent transnational legal order **Environmental Human Rights in the Anthropocene** Walter F. Baber, James R. May, 2023-03-09 Human rights and environmental protection are closely intertwined and both are critically dependent on supportive legal opportunity structures These legal structures consist of access to the courts legal stock or the set of available standards and precedents on which to base litigation and institutional receptiveness to potential litigation These elements all depend on a variety of social political and economic variables This book critically analyses the complexities of uniting human rights advocacy and environmental protection Bringing together international experts in the field it documents the current state of our environmental human rights knowledge strategically critical questions that remain unanswered and the initiatives required to develop those answers It is ideal for researchers in environmental governance and law as well as interested practitioners and advanced students working in public policy political science and environmental studies *Report of the ... Session* United Nations. Commission on the Status of Women, 1995 **UNDOC, Current Index** , 1995 **Official Records** , 1995 Gender Politics in Transitional Justice Catherine O'Rourke, 2013-08-22 What role do transitional justice processes play in determining the gender outcomes of transitions from conflict and authoritarianism What is the impact of transitional justice processes on the human rights of women in states emerging from political violence Gender Politics in Transitional Justice argues that human rights outcomes for women are determined in the space between international law and local gender politics The book draws on feminist political science to reveal the key gender dynamics that shape the strategies of local women s movements in their engagement with transitional justice and the ultimate success of those strategies termed the local fit Also drawing on feminist doctrinal scholarship in international law the international frame examines the role of international law in defining harms against women in transitional justice and in determining the from and to of transitions from conflict and authoritarianism This book locates evolving state practice in gender and transitional justice over the past two decades within the context of the enhanced protection of women s human rights under international law Relying on original empirical and legal research in Chile Northern Ireland and Colombia the book speaks more broadly to the study of gender politics and international law in transitional justice **Transactions of the Devonshire Association for the Advancement of Science, Literature and Art** Devonshire Association for the Advancement of Science, Literature and Art, 1885 List of members in each volume *Report & Transactions of the Devonshire Association for the Advancement of Science, Literature and Art* Devonshire Association for the Advancement of Science, Literature and Art, 1887 List of members **Report of the ...
