**Lamb, Hair, McDaniel, MKTG.**, 2008 Stanford Business, 2005 **Personal Branding with Social Media**

Michael Reynolds, 2013-02 You may be familiar with branding as it relates to companies and organizations. A company's brand is the essence that affects everything it does. How often though do we pay attention to our personal brands? The purpose of this short book is to explain how these new online tools can be used to strengthen your personal brand. Whether you are a job seeker, sales professional or consultant, numerous opportunities exist for you to leverage social media to create a competitive edge for yourself. **Introduction to Personal Branding** Mel Carson, 2016-12-31 In this bestselling **Introduction to Personal Branding** you will get a short crash course. The book should take less than an hour to read or listen to on what personal branding is, how to take your first steps toward perfecting your personal brand, and you will learn some actionable tactics you can employ immediately in order to start becoming more memorable within your career niche and grow your network. These actionable steps include advice on how to take the perfect profile photo, how to think about your professional purpose, how to optimize your LinkedIn profile, how to optimize your social media presence for search engines like Google and Bing, how to craft a personal branding statement, how to analyze your competitors across social media so you can make your brand differentiate from theirs, and how to be social by design. Personal Branding is the practice of defining your professional purpose and being able to articulate your experience and value to your target audience through digital media and social channels like blogs, Twitter, Facebook, and LinkedIn. It is also a crucial discipline to help you get the most out of in-person events such as conferences and networking opportunities where the key to a successful outcome often lies in your personal brand standing out. Given the explosion in use of digital and social media over the past few years, the internet has presented professionals with a magnificent opportunity to help their expertise become more discoverable, sharable, and memorable through their personal brands. **Personal Branding Benefits Your Business by Establishing Credibility, Thought Leadership, Growing Your Network, Helping you Market Yourself, Attracting New Opportunities, Increasing Sales, Helping You Reach Your Business Goals.** Who is this book for?
