Towards a science of ideas: An inquiry into the emergence, evolution and expansion of ideas and their translation into action Guido Enthoven, Seweryn Rudnicki, Rico Sneller, 2022-08-02

Ideas are the basic building blocks that construct the world we live in Yet despite the abundance of literature on creativity and innovation there has been little reflection on ideas as such their nature and their working mechanisms This book provides foundations for a reflection focused specifically on ideas what they are how they emerge develop interact gain acceptance and become translated into actions In doing so the book moves beyond the mainstream approaches offering new promising theoretical angles presenting original findings and initiating a research agenda for a science of ideas This book provides a fresh perspective on how to conceptualize and study ideas and their working mechanisms by treating ideas as the main object of the study and by bringing together a group of original thinkers scholars and philosophers to move beyond the mainstream academic discourse on creativity and innovation

The Impact of Transformational Leadership on Employee-Wellbeing in Remote Work Environments Judith Schmitt, 2023-07-20 Seminar paper from the year 2021 in the subject Leadership and Human Resources Employee Motivation grade 1 0 University of Economics Prague Faculty of Business Administration course Management for doctoral students language English abstract This paper analyzes the impact of transformational leadership on employee well being in remote work environments As several studies suggest there is a positive relationship between transformational leadership and employee well being but it is rather complex as it is influenced by specific mediating and moderating factors Since the ongoing COVID 19 crisis forced many teams into remote working conditions also leadership was predominantly performed virtually This leads to adapted requirements for the promotion of employee well being This paper seeks to identify those adjustments Thus a conceptual model was constructed to illustrate the relationship of transformational leadership and employee well being which was then applied to remote work environments to propose relevant adaptations
