Absorbing Perfections Kabbalah And Interpretation:

Absorbing Perfections Moshe Idel, 2008-10-01 In this wide ranging discussion of Kabbalah from the mystical trends of medieval Judaism to modern Hasidism one of the world's foremost scholars considers different visions of the nature of the sacred text and of the methods to interpret it Moshe Idel takes as a starting point the fact that the postbiblical Jewish world lost its geographical center with the destruction of the temple and so was left with a textual center the Holy Book Idel argues that a text oriented religion produced language centered forms of mysticism Against this background the author demonstrates how various Jewish mystics amplified the content of the Scriptures so as to include everything the world or God for example Thus the text becomes a major realm for contemplation and the interpretation of the text frequently becomes an encounter with the deepest realms of reality Idel delineates the particular hermeneutics belonging to Jewish mysticism investigates the progressive filling of the text with secrets and hidden levels of meaning and considers in detail the various interpretive strategies needed to decodify the arcane dimensions of the text *Moshe Idel: Representing God* Hava

Tirosh-Samuelson, Aaron W. Hughes, 2015-01-08 Moshe Idel the Max Cooper Professor Emeritus at the Hebrew University of Jerusalem and Senior Researcher at the Shalom Hartman Institute is a world renowned scholar of the Jewish mystical tradition His historical and phenomenological studies of rabbinic philosophic kabbalistic and Hasidic texts have transformed modern understanding of Jewish intellectual history and highlighted the close relationship between magic mysticism and liturgy A recipient of two of the most prestigious awards in Israel the Israel Prize for Jewish Thought 1999 and the Emmet Prize for Jewish Thought 2002 Idel's numerous studies have uncovered persistent patterns of Jewish religious thought that challenge conventional interpretations of Jewish monotheism while offering a pluralistic understanding of Judaism His explorations of the mythical theurgical mystical and messianic dimensions of Judaism have been attentive to history sociology and anthropology while rejecting a naive historicist approach to Judaism **The Scandal of a Divine Messiah** Brian J.

Crawford, 2024-12-30 In this groundbreaking book Brian J Crawford navigates the complex intellectual landscape that has traditionally separated Jews and Christians His focus is on a scandalous claim God became a man as Jesus of Nazareth Since the Middle Ages Jewish philosophers have said such an idea is impossible and absurd and Jewish mystics have said the idea is redundant for all things are inhabited by divine sparks By critically examining the philosophical underpinnings of the Maimonidean and Kabbalistic thought that has shaped Jewish theology Crawford constructs a compelling case for the incarnation that is grounded in the Hebrew Scriptures consistent with history informed by science and illuminated by philosophical inquiry Included within is a deep interaction with Maimonides's *Guide to the Perplexed* the Jewish mystical tradition historical Christian orthodoxy and Messianic Jewish theology This landmark study promises to reinvigorate Jewish Christian discourse on the nature of God the Jewishness of the Trinity and the incarnation and the role of philosophy in Judaism and Christianity **Judeities** Bettina Bergo, Joseph D. Cohen, Raphael Zagury-Orly, 2007 Invited to answer questions

about his relationship to Judaism Jacques Derrida spoke through Franz Kafka As for myself I could imagine another Abraham From the experience of a summons to a call that surprises us and prompts the query Who me Derrida explores the movement between growing up Jewish becoming Jewish and Jewish being or existence In his essay The Other Abraham which appears here in English for the first time he imagines other Abrahams in light of the proclaimed universalism of philosophy and its recent fragmentation into philosophemes Thus we no longer confront Judaism but Judeity multiple Judaisms and Jewish existences manifold ways of being and writing as a Jew in Derrida s case as a French speaking Algerian deprived of then restored to French nationality in the 1940s What is it to be a Jew and a philosopher How has the notion of Jewish identity been written into and across Jewish literature Jewish thought and Jewish languages The volume addresses these questions contrasting Derrida s thought with philosophical predecessors such as Rosenzweig Levinas Celan and Scholem and tracing confluences between deconstruction and Kabbalah Derrida s relationship to the universalist aspirations in contemporary theology is also discussed and an evaluation is offered of his late autobiographical writings The aim of this multifaceted volume is to open the question of Jewishness above all to hold it open as a question though not one of practical or theoretical identity As much a contestation of identity as a profound reflection on what it means today to seek elude and finally to wrestle with the significance of being jew Judeities invites us to revisit the human condition in the twenty

As Light Before Dawn Eitan P. Fishbane, 2009-06-29 As Light Before Dawn explores the mystical thought of Isaac ben Samuel of Akko a major medieval kabbalist whose work has until now received relatively little attention Through consideration of an extensive literary corpus including much that still remains in manuscript this study examines an array of themes and questions that have great applicability to the comparative study of mysticism and the broader study of religion These include prayer and the nature of mystical experience meditative concentration directed to God and the power of mental intention authority creativity and the transmission of wisdom

Images of Torah: From the Second-Temple Period to the Middle Ages Jeong Mun. Heo, 2023-06-26 This book explores the way that the Torah was appreciated and interpreted as a text and symbol in Christian and Jewish sources from the Second Temple period through the Middle Ages It tracks the development and complex interactions of three images of Torah God like Angelic and Messianic which are found in late antique Jewish and Christian materials as well as in medieval kabbalistic and Jewish philosophic sources It provides a unique template for tracing the development of theological ideas related to the images of Torah and offers a sophisticated and innovative analysis of the relationship between mystical experience theology and phenomenology

Kafka's Jewish Languages David Suchoff, 2011-11-29 After Franz Kafka died in 1924 his novels and short stories were published in ways that downplayed both their author s roots in Prague and his engagement with Jewish tradition and language so as to secure their place in the German literary canon Now nearly a century after Kafka began to create his fictions Germany Israel and the Czech Republic lay claim to his legacy Kafka s Jewish Languages brings Kafka s stature as a specifically Jewish writer into focus David

Suchoff explores the Yiddish and modern Hebrew that inspired Kafka's vision of tradition. Citing the Jewish sources crucial to the development of Kafka's style, the book demonstrates the intimate relationship between the author's Jewish modes of expression and the larger literary significance of his works. Suchoff shows how *The Judgment* evokes Yiddish as a language of comic curse and examines how Yiddish African American and culturally Zionist voices appear in the unfinished novel *Amerika*. In his reading of *The Trial*, Suchoff highlights the black humor Kafka learned from the Yiddish theater and he interprets *The Castle* in light of Kafka's involvement with the renewal of the Hebrew language. Finally, he uncovers the Yiddish and Hebrew meanings behind Kafka's *Josephine the Singer* or *the Mouse Folk* and considers the recent legal case in Tel Aviv over the possession of Kafka's missing manuscripts as a parable of the transnational meanings of his writing.

Old Worlds, New Mirrors Moshe Idel, 2010

In *Old Worlds, New Mirrors* Moshe Idel turns his gaze on figures as diverse as Walter Benjamin and Jacques Derrida, Franz Kafka and Franz Rosenzweig, Arnaldo Momigliano and Paul Celan, Abraham Heschel and George Steiner to reflect on their relationships to Judaism in a cosmopolitan, mostly European context.

Kabbalistic Manuscripts and Textual Theory Daniel Abrams, 2010

Kabbalistic Manuscripts and Textual Theory uncovers the unstated assumptions and expectations of scribes and scholars who fashioned editions from manuscripts of Jewish mystical literature. This study offers a theory of kabbalistic textuality in which the material book, the printed page, no less than handwritten manuscripts, serves as the site for textual dialogue between Jewish mystics of different periods and locations. The refashioning of the text through the process of reading and commenting that takes place on the page, in the margins and between the lines, blurs the boundaries between the traditionally defined roles of author, reader, commentator, and editor. This study shows that kabbalists and academic editors reinvented the text in their own image as part of a fluid textual process that was nothing short of transformative. This book is certainly monumental, offering in its seven hundred pages a wealth of documentation and distilled argument that manages to be both comprehensive in its materials and transparent in its critical insights. It is rare indeed that a work of such formidable scholarship can actually be a pleasure to read and convincing in its elucidation of what are often extremely complex documentary circumstances and editorial traditions.

From the foreword by David Greetham

The Zohar: Parashat Be-reshit-Parashat Noah Daniel Chanan Matt, 2004

This is the first translation ever made from a critical Aramaic text of the *Zohar*, which has been established by Professor Daniel Matt based on a wide range of original manuscripts. The work will eventually span twelve volumes. The extensive commentary appearing at the bottom of each page clarifies the kabbalistic symbolism and terminology and cites sources and parallels from biblical, rabbinic, and kabbalistic texts.

[Ascensions on High in Jewish Mysticism](#) Moshe Idel, 2005-02-15

Ascensions on High took many forms in Jewish mysticism and they permeated most of its history from its inception until Hasidism. The book surveys the various categories with an emphasis on the architectural images of the ascent, like the resort to images of pillars, lines, and ladders. After surveying the

variety of scholarly approaches to religion the author also offers what he proposes as an eclectic approach and a perspectivist one The latter recommends to examine religious phenomena from a variety of perspectives The author investigates the specific issue of the pillar in Jewish mysticism by comparing it to the archaic resort to pillars recurring in rural societies Given the fact that the ascent of the soul and pillars constituted the concerns of two main Romanian scholars of religion Ioan P Culianu and Mircea Eliade Idel resorts to their views and in the Concluding Remarks analyzes the emergence of Eliade s vision of Judaism on the basis of neglected sources **Elenchus of Biblica** ,2002 Comitatus ,2007 From Metaphysics to Midrash Shaul Magid,2008-07-09 Shaul Magid explores the exegetical tradition of Isaac Luria and his followers within the historical context in 16th century Safed a unique community that brought practitioners of Judaism Christianity and Islam into close contact with one another Enchanted Chains Moshe Idel,2005 Jewish Studies at the Central European University: 2002-2003 ,2003 *Studia Judaica* ,2008 The Journal of Philosophy ,2002 □□□ □□□ Daniel Chanan Matt,2004 The Zohar is a mystical commentary on the Torah that is the basis for Kabbalah This is a difficult book to translate Matt who has taught Jewish mysticism at Stanford University and the Hebrew University of Jerusalem is working his way through the book giving a comprehensive annotation that offers background and explanations of the text both his own and those of other scholars
