2) *Roots of Reform*

- ◆ The Protestant Reformation dates from the early 16th century
 - Many of the underlying conditions that prompted reformers to challenge the authority of the RC church had existed for hundreds of years
 - ◆ Over the course of centuries, the church and its top officials had become deeply embroiled in the political affairs of western Europe
 - ◆ But political intrigues, combined with the church's growing wealth and power, also fostered greed and corruption
 - ◆ Undermined the church's spiritual authority and made it vulnerable to criticism
 - ◆ The hedonism and materialism of church officials only further emphasized the perceived betrayal of Christian ideals
 - Although the church continued to enjoy the loyalty of most Christians, it faced a disapproval of its abuses that became increasingly strident in the decades before 1517
 - ◆ Alongside such criticism came a growing demand for a more personal involvement with the divine
 - ◆ Efforts by church authorities to eliminate pre-Christian traditions and alternative kinds of spirituality only intensified the desire among laypeople for forms of devotion that would connect them more directly with God than the church allowed
 - Martin Luther coalesced these expression of religious discontent into a powerful revolt against the church

3) *Martin Luther*

- ◆ Martin Luther (1483-1546) attacked the sale of indulgences as an individual
 - Soon attracted enthusiastic support from other who resented the policies of the Roman church
 - ◆ Luther published scores of works condemning the Roman church

 - ◆ Had appeared in Europe in the mid-15th century
- ◆ It was Johannes Gutenberg (1395-1468) who introduced printing to Europe

 - ◆ Started a printing revolution
