How to Become a Digital Nomad is the most practical step-by-step guide to living a location-independent digital nomad lifestyle regardless of your career while making money and doing the work you love. This book is not written in the hypothetical. It is not motivational and philosophical fluff. It is not for backpackers who simply want to teach English. It is not for the independently wealthy travelers or Instagram stars. It is written by real digital nomads who have made a life and career doing what they love where they love doing it. For those who like their job, we provide an actionable guide to help you convince your employer and transition your work to be remote. For those who don't like their job, we will teach you how to find location-independent jobs, start a business, earn money as a freelancer or consultant, and sell your digital nomad lifestyle as a perk to potential clients, customers, or employers. We dive in deep on the following topics: Turn any skill into a location-independent career. Find a remote job or consulting/freelance clients. Start and run a business abroad. Best places to travel and work as a digital nomad. Co-working spaces and digital nomad hubs/communities around the world. Organized digital nomad programs like Remote Year. Visa requirements for digital nomads. Packing and preparing to become a digital nomad. Important resources for digital nomads. Required technology, hardware, and software. Staying productive while traveling. Overcoming the inevitable psychological impacts. Common barriers, e.g., kids, pets, debt, and medical concerns. Manage and collaborate with distributed teams effectively. Legal, tax, and financial implications of the digital nomad lifestyle. How to sell your digital nomad experience to potential employers or customers. Insights from some of the world's most successful digital nomads. The relationship between the work we do and where we do it has changed. With productivity moving to the cloud for nearly every industry, the days where work is a place are over. We believe that what you do no longer depends on where you do it, so you should do it wherever you are most productive, creative, and happy.
