now we are expected to work as though we don't have kids and parent as though we don't have jobs. It is not sustainable. It's causing people to leave the workforce or to sacrifice valuable family time and simultaneously hurting organisations as retention and productivity take a nosedive. WorkSchoolHours offers us all a better framework, one that takes us far beyond how we structure our work schedules to deliver us better commercial outcomes for businesses, better careers for all working people and better lives for everyone. Building on decades of research and lived experiences, WorkSchoolHours gives us practical insights and immediately actionable solutions. Let's reduce hours spent working so we can connect more with what matters in life and do it in a way that is commercially smart for organisations. Praise for WorkSchoolHours: A change the freaking world book. Mark Crysell, TVNZ SUNDAY correspondent. An absolute must read that will linger in your thoughts long after you've turned the final page. Steve Jurkovich, Chief Executive KiwiBank. Even the skeptic in me is totally convinced. Eric Chapman, Director of Business Transformation EY. Ellen's precise wisdom is a game changer. Dr Ron McDowall, ONZM Director of Rutherford Business Institute. A research backed implementable solution where everybody wins. Stephania Varalli, Story Strategist, serial entrepreneur and former CEO and owner of Women of Influence Canada.

Remote Work, Internal Marketing and Human Resource Management Teena Mishra, 2024-12-02. Remote working is a developing idea that many organizations are embracing, especially in light of COVID 19 and the rise in demand for remote and hybrid roles. As there is no standard model to use for implementation, a number of problems and difficulties develop as popularity increases and hybrid working environments become normalized. This book presents the views, opinions, and reality of remote work and creating an appropriate internal marketing culture in a remote environment. The key topics explored are the significance of remote work, remote work practice, reshaping the work environment, designing remote work models, remote work challenges, remote work facing business organizations, remote work management innovations and technology, the role of motivation and satisfaction in organizational development, employee empowerment in a remote setting, transparency and commitment for sustainable development, and the future of remote work. This research volume will be of value to researchers, academicians, practitioners, and students in the fields of human resource management, organizational studies, and innovation management.
