Head First HTML5 Programming Eric Freeman, Elisabeth Robson, 2011-10-06 HTML has been on a wild ride Sure HTML started as a mere markup language but more recently HTML's put on some major muscle Now we've got a language tuned for building web applications with Web storage 2D drawing offline support sockets and threads and more And to speak this language you've got to go beyond HTML5 markup and into the world of the DOM events and JavaScript APIs Now you probably already know all about HTML

markup otherwise known as structure and you know all about CSS style presentation but what you've been missing is JavaScript behavior. If all you know about are structure and presentation you can create some great looking pages but they're still just pages. When you add behavior with JavaScript you can create an interactive experience even better you can create full blown web applications. Head First HTML5 Programming is your ultimate tour guide to creating web applications with HTML5 and JavaScript and we give you everything you need to know to build them including how to add interactivity to your pages how to communicate with the world of Web services and how to use the great new APIs being developed for HTML5. Here are just some of the things you'll learn in Head First HTML5 Programming. Learn how to make your pages truly interactive by using the power of the DOM. Finally understand how JavaScript works and take yourself from novice to well informed in just a few chapters. Learn how JavaScript APIs fit into the HTML5 ecosystem and how to use any API in your web pages. Use the Geolocation API to know where your users are. Bring out your inner artist with Canvas HTML5's new 2D drawing surface. Go beyond just plugging a video into your pages and create custom video experiences. Learn the secret to grabbing five megabytes of storage in every user's browser. Improve your page's responsiveness and performance with Web workers. And much more.

Fundamentals of Software Engineering Nathaniel Schutta, Dan Vega, 2025-10-30. What do you need to know to be a successful software engineer? Undergraduate curricula and bootcamps may teach the fundamentals of algorithms and writing code but they rarely cover topics vital to your career advancement. With this practical book you'll learn the skills you need to succeed and thrive. Authors Nathaniel Schutta and Dan Vega guide your journey with everything from pointers to deep dives into specific topic areas that will help you build the skills that really matter as a software engineer. Understand what software engineering is and why communication and other soft skills matter. Learn the basics of software architecture and architectural drivers. Use common and proven techniques to read and refactor code bases. Understand the importance of testing and how to implement an effective test suite. Learn how to reliably and repeatedly deploy software. Know how to evaluate and choose the right solution or tool for a given problem.

Head First Java Kathy Sierra, Bert Bates, Trisha Gee, 2022-05-12. What will you learn from this book? Head First Java is a complete learning experience in Java and object oriented programming. With this book you'll learn the Java language with a unique method that goes beyond how to manuals and helps you become a great programmer. Through puzzles, mysteries and soul searching interviews with famous Java objects you'll quickly get up to speed on Java's fundamentals and advanced topics including lambdas, streams, generics, threading, networking and the dreaded desktop GUI. If you have experience with another programming language Head First Java will engage your brain with more modern approaches to coding the sleeker, faster and easier to read, write and maintain Java of today. What's so special about this book? If you've read a Head First book you know what to expect: a visually rich format designed for the way your brain works. If you haven't you're in for a treat. With Head First Java you'll learn Java through a multisensory experience that engages your mind rather than by means of a text
