[Dad's Guide to Pregnancy for Dummies](#) Adeline Robinson, Samuel Lewis, 2019-11-30. Congratulations, Dad! You are having a baby. And you probably have so many questions about what the next nine months will bring to your life, the changes that will take place, and how you can find where you fit in this new experience. You have come to the place where you need to be for the answers to all of your questions. *Dad's Guide to Pregnancy for Dummies: Essential Guide for Beginner Dads*. Useful and Practical Tips from Those Like You Who Lived This Wonderful Experience is the book that will explain the answers to all of the questions you might have, and some of the things you did not know you were curious about. Of course, this book will cover all of the basics of pregnancy, labor, and delivery. But it will also give you so much more. There is no way you can actually know what it feels like to be pregnant, so this book gives you the necessary information that will give you an idea of what mom is experiencing during pregnancy. We will talk about Cravings, Mood swings, Uncontrollable emotions, Swollen feet, Stretch marks. You have probably heard of all of those things at one time or another in your life. And you might have even experienced a few of them, either by yourself or with another person. But we will also cover things you may never have heard of before, things like Round ligament, Doula, Skull plates, Birthing balls. And there is so much more, too much to list here. Just believe me when I say that this is the only book you will ever need to get you through the journey you are about to embark upon. So let's get started.
