Essential Short Form Content Ideas Guide In 2025:

Essential Guides for Early Career Teachers: Understanding Your Role in Curriculum Design and Implementation Henry Sauntson, 2025-02-28 This is a must read for early career teachers ECTs focusing on the role of the ECT in terms of school curriculum design and implementation It explores the topics surrounding curriculum that those in training or ECT induction are likely to encounter and need to understand and offers a range of practical and critical strategies and approaches to curriculum design It begins with examining the history of the core ideas around curriculum including educational philosophy and concepts before moving on to planning reflection and principled intent and implementation It also delves into the various roles of those involved in curriculum design This is an essential text for ECTs as curriculum is a key aspect of the Core Content and Early Career Frameworks It draws on real life enactments and models to help those in their early stages understand their role in curriculum implementation especially in relation to the Ofsted focus on the quality of education and the role of all teachers as professionals Most importantly this book recognises curriculum as the beating heart of any strong educational offer

Essential Guides for Early Career Teachers: Teaching Primary Foundation Subjects James Coleman, 2025-02-28 As Ofsted introduces a new framework with higher expectations regarding subject knowledge across the primary curriculum there has never been a more important time for trainees to secure their subject knowledge and improve confidence This book aims to help early career teachers in teaching primary foundation subjects This is another text for the Essential Guides for Early Career teachers series and it provides ECTs and their mentors with the right tools for teaching primary foundation subjects improving their subject knowledge and building understanding It ensures that relevant theory and research are woven together with real classroom experience It links to key readings resources and online sources which will allow trainees to continue their own learning and encourage independent study through the use of reflective exercises and practical tasks to ensure the delivery of the best possible teaching A text like this is needed more than ever as the Ofsted framework for ITT is explicit in highlighting subject knowledge as being a key component to successful teaching This book therefore covers the kind of topics that ECTs might at first struggle with from art and design to computing and IT to languages like French and German This book breaks down each subject and points trainees in the direction of resources support and best practice
