Adapt Why Success Always Starts With Failure Tim Harford:

Adapt Tim Harford, 2011-05-10 The Undercover Economist famed for his explanations now offers solutions Tim Harford introduces a new way of thinking about how to solve the world's most urgent problems from climate change to terrorism African poverty to global finance even the problems we encounter in our own daily lives When faced with such challenges we instinctively look to leaders experts and gurus to provide us with pre chewed solutions Harford argues that the world has become too unpredictable and complex for that Instead we must adapt improvise rather than plan work from the bottom up take baby steps Adapt draws on exciting new work by passionate young economists and on innovative ideas from across the sciences It looks at how and why innovation really comes about extolling the value of trial and error and arguing that we should learn to embrace failure Above all Adapt applies hard won lessons learned in the field from a spaceport in the Mojave Desert to the street of Iraq from a blazing offshore drilling rig to the frozen tundra of Siberia The book shows that it's up to individuals us to change the world
