isn't about replacing human creativity with artificial intelligence. It's about amplifying existing advantages through strategic automation. The book teaches you to identify unfair advantages whether life experience, professional network, or availability during odd hours and systematically convert them into income-generating systems working while you sleep, parent, travel, or pursue passions. The comprehensive prompt library eliminates the learning curve, allowing immediate implementation. Action checklists ensure you're not just reading but doing. Real-world examples show both spectacular wins and cautionary tales, preparing you for every scenario. Join thousands discovering the AI gold rush isn't just for Silicon Valley insiders. Your demographic isn't a limitation; it's your secret weapon in the 72 billion AI economy. Stop watching. Start building. Your automated income stream awaits.

Proceedings of The 7th International Conference on Gender Research Ana Isabel Azevedo, The International Conference on Gender Research (ICGR) is a well-established academic conference that has been held annually for seven years, bringing together scholars, practitioners, and researchers from around the world to explore diverse issues related to gender. This conference provides a multidisciplinary platform where participants are encouraged to engage in discussions and present research findings on various aspects of gender studies. The diversity of the research discussed and the participants involved in the event is an important reflection on how Gender Studies impact all corners of life. The International Conference on Gender Research has developed into a comprehensive forum that addresses a wide range of topics related to gender, making it a key event for those engaged in gender studies and related fields. The published conference proceedings from these events serve as a valuable resource for ongoing research and scholarship in the area of gender research. The Proceedings of the 8th International Conference on Gender Research 2025 includes Academic research papers, PhD research papers, Masters and work in progress papers, which have been presented and discussed at the ICGR conference. The proceedings are of an academic level appropriate to a professional research audience, including graduates, postgraduates, doctoral and post-doctoral researchers. All papers have been double-blind peer-reviewed by members of the Review Committee.
