Concise Amharic Dictionary Reissue Edition By Leslau Wolf:

Concise Amharic Dictionary Wolf Leslau, 1976 Amharic english and english amharic language dictionary Toward Proto-Nostratic Allan R. Bomhard, 1984 This book represents the culmination of the author's work to date it incorporates and updates previous articles and adds much new material This book is not nor was it ever intended to be a comparative grammar of either the Indo European or the Afroasiatic language families It is rather a comparison of Proto Indo European with Proto Afroasiatic While this is not the first attempt to demonstrate that Proto Indo European and Proto Afroasiatic are genetically related it is the first to use the radical revision of the Proto Indo European consonantal system proposed by Thomas V Gamkrelidze Paul J Hopper and Vjaceslav V Ivanov Moreover unlike previous endeavors this is the first to make extensive use of data from the non Semitic branches of Afroasiatic The assumptions underlying this investigation of the possibility of the common genetic origin of Proto Indo European and Proto Afroasiatic differ considerably from the assumptions made in other works on Nostratic the methodological approach followed in this monograph has been one of rigorous adherence to the time honored principles of comparative reconstruction *Studia Aethiopica* Verena Böll, 2004 For over a quarter of a century Siegbert Uhlig has been involved in Ethiopian Studies As wide as the scope of his interests and contributions to Ethiopian Studies has been so versatile is the thematic range of the 36 articles in this anthology The essays in fields such as philology history linguistics anthropology and arts were written by the ethiopisants from Ethiopia Germany Israel Italy the Netherlands Poland Russia Sweden Thailand the United Kingdom and the USA The Festschrift also includes an account of Ethiopian Studies in Hamburg and a selected bibliography of Siegbert Uhlig's publications An index to the contributions of the collection will be made available on the internet List of contributors L Gerhardt J Abbink H Amborn D Appleyard B Zewde B Tafla E Balicka Witakowska A Bausi B Yimam V Boll S Chernetsov G Fiaccadori G Haile G Gelaye M Heldman O Kapeliuk S Kaplan M Kleiner J Launhardt G Lusini P Marrassini A Martinez S Munro Hay D Nosnitsin R Pankhurst H Rubinkowska H Scholler S Bekele W Smidt E Sokolinskaia E J van Donzel R Voigt E Wagner S Weninger W Witakowski R Zuurmond T Rave **The Publishers' Trade List Annual**, 1985 **The Life of the Red Sea Dhow** Dionisius A. Agius, 2019-04-04 Few images are as evocative as the silhouette of the Arab dhow as under full sail it tacks to windward on glittering waters of Red Sea before moving across the face of the rising or setting sun In this authoritative new book Dionisius A Agius one of the foremost scholars of Islamic material culture offers a lucid and wide ranging history of the iconic dhow from medieval to modern times Traversing the Arabian and African coasts he shows that the dhow was central not just to commerce but to the vital transmission and exchange of ideas Discussing trade and salt routes shoals and wind patterns spice harvest seasons and the deep and resonant connection between language memory and oral tradition this is the first book to place the dhow in its full and remarkable cultural contexts National Union Catalog, 1977 Includes entries for maps and atlases **Selected Comparative-historical Afrasian Linguistic Studies** Marvin Lionel Bender, Gábor
