Since then, tourism and related industries have suffered from negative economic impacts. This book examines current challenges and opportunities in the tourism industry using case studies from different parts of the world. It also examines the challenges and obstacles faced by the tourism sector due to lack of environmental policies, high crime rates, and poverty. Essential Management Skills for Pharmacy and Business Managers Titus De Silva, 2013-05-09 As a manager, you will be expected to resolve a range of legal, ethical, operational, human resource, and financial issues that affect your organization. *Essential Management Skills for Pharmacy and Business Managers* supplies the understanding you will need to manage the day-to-day challenges in this increasingly competitive environment. Presenting a wealth of information on how to resolve common issues across all sectors of the pharmacy environment, it uses case studies to illustrate the methods required to create a patient-focused business where teamwork flourishes and continuous improvement becomes a reality. The book describes the kinds of things that will most often go wrong in organizations of all types and sizes and provides proven methods for resolving these issues. It explains how to develop and implement an effective quality management system in the pharmacy or a retail operation that complies with external standards. Outlining an efficient performance appraisal system, it describes how to manage diversity and details time-tested problem-solving, conflict management, and stress management techniques. With coverage that includes employee management, quality management, and quality assurance, the book describes how to create a harmonious work environment that promotes effective communication between pharmacy staff, medical professionals, care givers, patients, and customers. Complete with links to further information in each chapter, it arms you with the tools to empower and motivate your employees to provide world-class patient and customer care. **Poverty, Inequality, and Innovation in the Global South** Oliver Mtapuri, 2023-03-03 This edited volume analyzes the experiences learned in practice, especially among small holder farmers, to eradicate poverty. In other words, it discusses practical solutions which small scale farmers can use to alleviate poverty and reduce inequality. This addresses the issue of inclusive and sustainability of projects leading to the notion of not leaving anyone behind. The book provides insights that can be translated into policy with potential to inform practice. It also has the potential to address the issue of rural urban migration by providing knowledge that is usable by small scale farmers, policy makers, and entrepreneurs alike. The volume is written by authors from different countries: Nigeria, Tanzania, and Zimbabwe, indicating the commonality of the problems of poverty and inequality. It contains insights from all these countries assembled together into an amalgam of practices ready to use and implement, informed by
