Handbook of Research on Collaborative Teaching Practice in Virtual Learning Environments Panconesi, Gianni, Guida, Maria, 2017-05-17 Modern technology has enhanced many aspects of life including classroom education. By offering virtual learning experiences, educational systems can become more efficient and effective at teaching the student population. The Handbook of Research on Collaborative Teaching Practice in Virtual Learning Environments highlights program developments in the realm of digital worlds in educational settings. Featuring pedagogical methods and topics relating to cooperative learning, hands-on curriculum, and meta-cognitive dimensions, this publication is a critical reference source for pre-service and in-service teachers, school administrators, higher education faculty, and researchers interested in virtual reality incorporation in the classroom.

Games and Simulations in Online Learning: Research and Development Frameworks Gibson, David, Aldrich, Clark, Prensky, Marc, 2006-09-30 This book examines the potential of games and simulations in online learning and how the future could look as developers learn to use the emerging capabilities of the Semantic Web. It explores how the Semantic Web will impact education and how games and simulations can evolve to become robust teaching resources. Provided by publisher.

The Schools We Need Now Timothy Dohrer, Thomas Golebiewski, 2024-06-11 Place mental health at the heart of schooling. Our students have always needed our support, but recent events have brought to the forefront the challenges K-12 schools face in supporting their mental health. Now is the time to transform schools into safe and healthy places that enable students not only to learn but thrive. Based on decades of research and proven examples from education professionals and the authors' experts in school leadership and social work, *The Schools We Need Now* highlights the importance of placing mental health at the heart of schooling and shares a vision for schools that prioritize student well-being. Inside, you'll discover practical ways to improve school climate and mitigate the effects of students' stress, trauma, depression, and anxiety. Preventive activities, school transition and crisis response plans, and community collaboration strategies. How to create a comprehensive Mental Health Action Plan that is grounded in your school's culture and climate. Examples of schools, classrooms, and organizations that are on the leading edge of creating the schools we need now. For every educator who wants to ensure a healthy and equitable school environment for all students, *The Schools We Need Now* shows you how to create a safe place that protects and supports their academic, social, emotional, and physical growth.
