How To Get Into Ugc Creator Tips Guide For Bloggers:

Media Authorship Cynthia Chris, David A. Gerstner, 2013 Contemporary media authorship is frequently collaborative participatory non site specific or quite simply goes unrecognized In this volume media and film scholars explore the theoretical debates around authorship intention and identity within the rapidly transforming and globalized culture industry of new media Defining media broadly across a range of creative artifacts and production cultures from visual arts to videogames from textiles to television contributors consider authoring practices of artists designers do it yourselfers media professionals scholars and others Specifically they ask What constitutes media and authorship in a technologically converged globally conglomerated multiplatform environment for the production and distribution of content What can we learn from cinematic and literary models of authorship and critiques of those models with regard to authorship not only in television and recorded music but also interactive media such as videogames and the Internet How do we conceive of authorship through practices in which users generate content collaboratively or via appropriation What institutional prerogatives and legal debates around intellectual property rights fair use and copyright bear on concepts of authorship in new media By addressing these issues *Media Authorship* demonstrates that the concept of authorship as formulated in literary and film studies is reinvigorated contested remade even reauthored by new practices in the digital media environment **Content**

Rules Ann Handley, C. C. Chapman, 2012-05-08 The guide to creating engaging web content and building a loyal following revised and updated Blogs YouTube Facebook Twitter Google and other platforms are giving everyone a voice including organizations and their customers So how do you create the stories videos and blog posts that cultivate fans arouse passion for your products or services and ignite your business *Content Rules* equips you for online success as a one stop source on the art and science of developing content that people care about This coverage is interwoven with case studies of companies successfully spreading their ideas online and using them to establish credibility and build a loyal customer base Find an authentic voice and craft bold content that will resonate with prospects and buyers and encourage them to share it with others Leverage social media and social tools to get your content and ideas distributed as widely as possible Understand why you are generating content getting to the meat of your message in practical commonsense language and defining the goals of your content strategy Write in a way that powerfully communicates your service product or message across various Web mediums Boost your online presence and engage with customers and prospects like never before with *Content Rules*
