How To Get Remote Jobs Usa Guide For Seniors:

Sustainable Tourism Carol Patterson, 2015-09-11 Sustainable Tourism Business Development Operations and Management lays out a road map to launching and building a business in one of today's most exciting industries. It simplifies the process and outlines real life requirements while clearing the path to new business success in the cultural heritage nature and adventure fields. Written by an eco development pioneer, the book offers guidance on developing and implementing a comprehensive sustainable business plan. From analyzing the market all the way through hiring and training the right people, the text focuses on the principles of both tourism and business. It prepares those embarking on new careers to tackle the complexity of sustainability issues by thinking like entrepreneurs and acting like business owners. Students and professionals can rely on this text as both a start up and ongoing implementation reference that will stack the odds of success in their favor. Sustainable Tourism provides an overview of exciting developments in the sustainable tourism industry. It helps new entrepreneurs assess the viability of ideas and products against sustainable criteria. Through sequential chapters, it delivers step by step instructions for minimizing environmental impact, establishing sustainability practices, obtaining financing and marketing to and reaching customers. The standards based text also examines how the United Nations World Tourism Organization (UNWTO) Sustainability Guidelines shape sustainable tourism, providing a global framework from which to build the skills needed for success. Key features include the following: 13 online video case studies of sustainable tourism destinations from around the world; a global text from which to build their own businesses and provide a model for how sustainable tourism works; an online workbook guides learners through the completion of a business plan by the end of the term; an online image bank presents photos, figures and tables from the book that may be downloaded for use in presentations; forms and worksheets from the book are available for download. A professional development workbook, *Creating a Tourism Career from Scratch*, appendix B is a reference for entrepreneurs starting or advancing in their careers. Loaded with case studies, the book illustrates what works and what doesn't when starting a sustainable tourism business. It describes how to integrate sustainability practices into daily operations, maximize the use of the web and social media in marketing, and overcome challenges in sustainable tourism. The text covers every important topic in a business start up, including financial forecasting and analysis, customer service systems, hiring, training and managing turnover. Sustainable Tourism Business Development Operations and Management is the starting point for all who want to develop an eco friendly product, integrate sustainability principles into their businesses, and turn their dreams into a business reality.
