How to Train Your Dad Gary Paulsen, 2021-10-05 From the legendary author of *Hatchet* a laugh out loud misadventure about a boy his free thinking dad and the puppy training pamphlet that turns their summer upside down Twelve year old Carl is fed up with his father s single minded pursuit of an off the grid existence His dad may be brilliant but dumpster diving for food scouring through trash for salvageable junk and wearing clothes fully sourced from garage sales is getting old Increasingly worried about what schoolmates and a certain girl at his new school might think of his circumstances and encouraged by his off kilter best friend Carl adopts the principles set forth in a randomly discovered puppy training pamphlet to retrain his dad s mindset a crackpot experiment that produces some very unintentional results This is a fierce and funny novel about family green living and untangling some of the ties that bind from middle grade master Gary Paulsen
