Revitalizing Student Skills for Workforce Preparation Huzooree, Geshwaree, Chandan, Harish, 2024-09-16 Due to rapid technological advancements evolving workplace structures and a shift towards remote work the nature of work is undergoing transformations influencing communication work dynamics and learning processes Improving the skills of future workforces is now a necessity as the growth of work skill misalignment and employability skills gaps becomes prevalent Educational institutions must prepare students for the digital world by providing them with advanced knowledge and essential skills in modern technology To positively shape the future workforce effective solutions for skill revitalization should be explored *Revitalizing Student Skills for Workforce Preparation* explores the intricacies of evolving and complex professional landscapes including the challenges and opportunities of student skill development The pivotal role of skill development in education is emphasized while delving into how effective skill education will shape the future workforce This book covers topics such as digital technology professional development and emotional intelligence and is a useful resource for educators business professionals and policymakers academicians researchers and administrators

Economic Uncertainty in the Post-Pandemic Era Shilpa Deo, Fatma Feyza Gündüz, 2024-12-05 The global economy has experienced many challenges in recent times particularly in the shadow of the COVID 19 pandemic such as dwindling demand supply chain disruptions declining growth rates further pandemic waves and increasing poverty and inequality to name but a few Four years after the pandemic economies are still struggling to achieve sustainable economic growth and development While much has been written about the impact of COVID 19 on various sectors and economies this is the first book to underscore the post COVID

global uncertainties that are still occurring on the world stage and further to present the recent challenges such as geo political tensions war economic disturbances climate change the energy crisis in Europe recession in developed economies and its effect on developing and least developed economies The book starts by setting the grounds for further discussion of the present challenges as well as future implications In addition to examining the immediate issues which occurred with the onset of the pandemic it explores these from the perspective of developed developing and least developed countries The wide ranging topics covered by the book include the ongoing Russia Ukraine War China s increasing economic dominance in neighbouring countries the economic collapse of Sri Lanka and Pakistan the factors that led to the technology layoffs and the future of global employees and economies The book goes beyond looking at sector specific factors and broadly outlines country specific instabilities policy choices and the way forward The book will be of interest to students of macroeconomics development and international economics and international relations as well as researchers and policymakers

Remote, Inc. Robert C. Pozen, Alexandra Samuel, 2021-04-27 You can thrive and excel when you re working remotely if you adopt the mindset habits and tech tools of professionals who are even more productive outside the office Learn to think like a business of one and that entrepreneurial mindset will transform your experience of remote work Remote work can be satisfying and productive once you craft a strategy that taps into the unique advantages of working from home After a year in which many of us plunged into remote work overnight we finally have a chance to make thoughtful choices about how to combine remote and office work and how to make the most of our days at home Remote Inc gives you the strategies and tools you need to make remote work a valuable part of your renewed working life Learn how to Gain control over how and when you work by focusing on objectives not the 9 to 5 workday Wow your managers by treating them like valued clients Beat information overload by prioritizing important emails and messages Make online meetings purposeful focused and engaging Build great relationships with your colleagues whether at the next desk or another city Find a balance between work from home and life at home Make a remote work plan that lets you get the best from time at the office and the best of home Remote Inc takes you inside the mindset and habits of people who flourish while working outside the office some or all of the time people who function like a business of one That s how productivity experts Robert C Pozen and Alexandra Samuel describe the mindset that lets people thrive when they re working remotely whether full time or in combination with time at the office You can follow their lead by embracing the work habits and independence of a small business owner while also tapping into the benefits of collegiality and online collaboration
