Beginners Kevin Liroy, 2019-11. If you want to start your own blog and make it your full-time job, then keep reading. Creating your blog is the first step into building a strong and lasting online presence. If you have a blog, you have your own space on the Internet. In short, you can influence people with your thoughts, your arguments, and anything you share with the world. That would be amazing, right? Well, turns out it's pretty easy to run a successful blog that generates profits if you know how to handle that. In order to create a profitable blog, you will need to post content. But be careful: random content won't work. There is a precise strategy you have to follow to optimize your reachability and visibility on both search engines like Google and social media platforms like Facebook. You need a proven strategy that mathematically works. Just keep posting is not a strategy. In this book, you will discover: Why do you want to start a blog? How to setup your blog and be online? How to choose the right domain name and hosting? Craft the perfect design for your blog? The content strategy that will guarantee your success? How to turn a simple blog into a money-making business? What monetization method you can use and how? How to expand your influence to other networks: YouTube and podcast? How to gain easy visibility on Quora?
