Comparative Politics J. Tyler Dickovick, Jonathan Eastwood, Robin M. LeBlanc, Zoila Ponce de Leon, 2023 An engaging and accessible introduction to the subject *Comparative Politics Integrating Theories Methods and Cases* gives students the methodological tools they need to answer the big questions in the field The authors introduce methods early in the text and integrate them throughout in *Thinking Comparatively* features to help students develop a systematic way of thinking about comparative politics Offering a hybrid format the text's unique structure offers the best of thematic and country by country approaches Sixteen succinct thematic chapters organized around the big questions in the field are followed by a separate section at the end of the book offering full length profiles and case studies for twelve countries Examples of some of the big picture questions discussed in the thematic chapters are Why do countries have different institutions and forms of government Why do some social revolutions succeed and endure while others fail Why are some societies subjected to terrorism and not others Each chapter integrates several standalone country case studies in *Case in Context* features these features tie into the narrative pose questions and point students to the full case discussions in the country profiles section of the book

Comparative Politics J. Tyler Dickovick, Jonathan Eastwood, David B. MacDonald, 2020-01-02 Integrating theories methods and country cases with an emphasis on application and analysis Combining thematic organization and a variety of country specific case studies *Comparative Politics Integrating Theories Methods and Cases* is an engaging and accessible introduction to comparative politics Methodological tools are introduced early in the text and integrated throughout to help students develop a systematic way of doing their own analyses of concepts and issues These tools include theories the basics of the comparative method and manageable case materials for practice all in the context of the big questions in comparative politics today

Comparative Politics James Tyler Dickovick, Jonathan Eastwood, 2019

A Functional Theory of Government, Law, and Institutions Kalu N. Kalu, 2019-07-12 This book examines the notion that while states may differ in terms of ideology economic system and institutional architecture their role as an organizing framework for system wide political action and international relations is contingent on a series of competing and oftentimes mutually exclusive factors This work clarifies factors that contribute to our understanding of the critical roles of systemic and sub systemic elements of society and how they reinforce the reciprocal problems of human and social organizations and the institutionalization processes that help to constrain them

The Oxford Handbook of Nigerian Politics A. Carl LeVan, Patrick Ukata, 2018-10-18 *The Oxford Handbook of Nigerian Politics* offers a comprehensive analysis of Nigeria's very rich history and ever changing politics to its readers It provides a deep understanding of Nigeria's socio political evolution and experience by covering broad range of political issues and historical eras The volume encompasses 44 chapters organized thematically into essays covering history political institutions civil society economic and social policy identity and insecurity and Nigeria in a globalized world By identifying many of the classic debates in Nigerian politics the chapters serve as an

authoritative introduction to Africa's most populous country. The chapters are interdisciplinary, introducing readers to classic debates and key research on Nigeria as well as new methodologies, new data, and a compelling corpus of research questions for the next generation of researchers and readers interested in Africa.

The Political Ecology of Pakistan Gholam Mujtaba, 2018-10-22. Pakistan is about to play a pivotal role in global politics. Serving as a gateway to the Middle East and a conduit to Central and South Asia, it will be a crucial partner as the United States contends with China's rise as an emerging global superpower and seeks to maintain its hegemony in the region. The problem is for many people in the West, Pakistan is somewhat of a black box with few Westerners understanding the country's complex history and current political reality. *The Political Ecology of Pakistan* aims to change this by outlining the geopolitical history of Pakistan since the country gained independence in 1947, focusing in particular on the military's ongoing role in state affairs and the struggle for democracy to take root in the region. In addition, this book outlines Pakistan's improved economy, internal security, religious harmony, equality of opportunity, corruption-free society, and growing transparency and accountability, all of which will make the country a vital partner in securing and maintaining peace in the region. This information will be of interest to policymakers as well as those who are seeking to understand Pakistan's geopolitical significance.

Comparative Politics, 2018. Current Debates in Comparative Politics James Tyler Dickovick, Jonathan Eastwood, 2015. Designed for introductory courses, *Current Debates in Comparative Politics* presents fifty-one readings drawn from major magazines and newspapers, including *The Economist*, *Foreign Affairs*, *Foreign Policy*, *The New York Times*, and *The New Yorker*. Addressing theoretical, methodological, and practical issues, the selections include scholarly readings that introduce students to key debates in the field, along with more informal readings, including one from *The Onion* and another on Stephen Colbert's notion of truthiness, that help students to engage with the material and see how it relates to their daily lives. An excellent stand-alone text, *Current Debates in Comparative Politics* is also a perfect companion to the editor's textbook *Comparative Politics: Integrating Theories, Methods, and Cases* (OUP, 2012), as its selections are organized thematically into fifteen sections that correspond to the chapters in the text. Each section includes a short introductory essay and discussion questions that guide students in their reading. To package *Current Debates in Comparative Politics* with *Comparative Politics: Integrating Theories, Methods, and Cases* for use in your course, order using pkg ISBN 978 0 19 939030 4.

A New Comparative Politics Robert H. Bates, Barry R. Weingast, 1995. *Comparative Politics II*, 1989. Cases in Comparative Politics James Bernard Christoph, 1976.

Comparative Politics Bernard Edward Brown, Roy C. Macridis, 1996. Close to half of the readings in this Eighth Edition are new, reflecting the dramatic political events of recent years: the collapse of the Soviet Union and other communist systems in Europe; the struggle of former communist nations to create democratic institutions and a market economy; and the explosion of ethnic conflict without neglecting the problems within established democracies and industrialized societies.

The Art of Comparative Politics Ruth Lane, 1997. *The Art of Comparative Politics* provides a clear and concise introduction

to the comparative study of political systems This book provides the current coherent and comprehensive analysis of the field needed due to the unprecedented growth currently going on in comparative politics It also provides background on the development of comparative politics as an area of study offers a coherent analytic treatment that helps make sense out of the field as it exists today and charts a constructive course for its future development *Comparative Politics* Roy C.
