you will not live the kind of life you desire Think about it when your mind believes that you are already defeated no amount of practice or training can make you believe otherwise In fact even when people keep telling you that you can do it when your mind thinks you can't you won't make any significant progress in whatever it is you wanted to do So in essence the secret to success in life lies in harnessing the power of the mind If you are fully aware of that but find it hard to use your mind's unlimited power to unleash your full potential this book will help you to achieve just that If you are looking for actionable information on how to harness the power of the mind to transform yourself then this book will teach you how to unleash the full power of your mindset to transform your life
