Whippie,2021-05-19 Social media is a great way to connect with people who you may not see all the time Social media helps you build connections with kids who have the same interests It is a quick way for people to get to know each other even if they re living across the world from one another It can be hard to get a discussion going online Where you create a discussion thread and how you create it make the difference in the amount of interaction generated Debates crave conflict because the latter incites strong emotion thus leading to engagement of opposing views Managed debates around conflict can lead to greater understanding and learning
