Rebel Witch Kelly-Ann Maddox, 2021-04-13 A truly contemporary take on how to be a witch Rebel Witch is an antidote to the cookie cutter witchcraft agenda that gives a new perspective on the craft asking each reader to create a powerful personalized practice that taps into the current mood of female empowerment and spiritual rebellion Rebel Witch reminds witches of the wondrous opportunity to jump into experimentation and invent something wild and individual a practice shaped by their individual personality and life journey rather than allowing themselves to be spoon fed It challenges witches to design a nurturing practice that is truly theirs There s information about all the elements of the

craft from energy raising sacred space creation and receiving signs to casting spells holding rituals scrying potions and much more crucially in each case the topic is discussed from an exciting contemporary perspective So when Kelly Ann talks about sacred texts she stresses that you can choose the texts that resonate with you so why not Alice in Wonderland or Narnia Maybe you want to move away from the traditional Wheel of the Year and create your own divisions Instead of honouring a traditional deity why not construct your own choosing elements from rock stars movie icons or fictional heroes Or embody magical signs in your clothing and jewellery Creativity and experimentation are encouraged with tips to help the reader to be inventive A curious reader with a desire to create an inspired deeply personal path and free themselves from conformity will finish the book ready to take action and make magick happen

The Challenge of the New Millennium Jerral R. Hicks,1997-05 THE CHALLENGE OF THE NEW MILLENNIUM is a serious examination of what we are as a species how we have changed as a society during the 30 years past and what might be done to make society and life more pleasant and worthwhile It takes a hard look at some unpleasant realities and some brutal truths about human nature Introduction to New and Alternative Religions in America William M. Ashcraft,Eugene V. Gallagher,2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S

today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more

Aleister Crowley's Illustrated Goetia Aleister Crowley, Lon Milo DuQuette, Christopher S. Hyatt, 1992 Goetia refers to all the operations of that Magick which deals with gross malignant or unenlightened forces Goetia is sometimes thought of as a wild card something that can get out of control something which expresses the operator s lower desires to control others and improve his own personal life And in fact this potential loss of control this danger the desire for self improvement and great power is exactly what attracts many people to Goetia while horrifying and repelling others Crowley s Goetia is brought to life with vivid illustrations of the demons Commentary by DuQuette and Hyatt bring the ancient arts into the modern day
