You'll learn how to write web copy that addresses your readers' needs and supports your business goals. Topics include: write marketing copy, interface flows, blog posts, legal policies, and emails; develop behind-the-scenes documents like mission statements, survey questions, and project briefs; find your voice and adapt your tone for the situation; build trust and foster relationships with readers; make a simple style guide. Publisher's description: [Intelligent Content: A Primer](#) Ann Rockley, Charles Cooper, Scott Abel, 2015-09-25. Today everything is marketing. All of the content we produce affects the customer experience. Therefore, all content is marketing, and all content producers are marketers. *Intelligent Content: A Primer* introduces intelligent content, how it works, the benefits, the objectives, the challenges, and how to get started. Anyone who wants to understand intelligent content will get a clear introduction along with case studies and all the reference information you could ask for to make the case for intelligent content with your management. *Intelligent Content: A Primer* is written by three leaders in content strategy and content marketing. Ann Rockley is widely recognized as the mother of content strategy. Charles Cooper, co-author with Ann Rockley of *Managing Enterprise Content*, has been involved in creating and testing digital content for more than 20 years. And Scott Abel, known as The Content Wrangler, is an internationally recognized global content strategist. Together, they have created the definitive introduction to intelligent content. **Digit**, 2006.
