GRADE 12

TEACHER INSTRUCTIONS

Dear Tourism teacher

Data handling is a source-based single-sitting assessment task, where-in learners engage with and analyse data. (Abridged Section 4 Amendments of the CAPS for Tourism, Implementation: January 2021, Reference Number 4.4.2)

This task is linked to the following content topics:

- Marketing South Africa as a tourism destination
- Foreign market share

Handling skills included in the task:

- Organising data
- Presenting data
- Interpreting data
- Discussing data

This task focuses on other aspects of handling and analysing data than the traditional. Sources with data are also not the expected – maps, pie charts, extracts, infographics. Organising facts, statistics or data are part of marketing and study skills. Presenting data in more user-friendly formats like flow charts makes educational sense.

Every Grade 12 Tourism teacher is expected to draw up marking notes. Please **DO NOT** use any marking guidelines or resources from the internet or social media, do **NOT** buy from any other source - this poses a significant danger that the task will be declared invalid. Developing your own marking notes, will enable you to better prepare your learners for the task **BEFORE** the scheduled assessment session takes place

Reviewing examples of flow charts and studying Marketing South Africa and Foreign Market Share for application will be good learner preparation before the task. After 12 years at school, candidates have the problem-solving skills to complete the required instructions in the time limit allocated.
