Chapter 8 - Women, Caste and Reform

- Women empowerment is one of the most used term these days. Today women are leading in all fields - whether it is the army or the medical sector or in the field of scientific research.
- But the situation was not same 200 years back. Women faced so much of humiliation in the past. Women had to go through a lot of adversities. Child marriages, polygamy, the humiliation of widows were quite common during that time. One of the practices of that time was the 'Sati Dahan Pratha' or in other words 'Sati' in which a woman had to die after the death of her husband in the same pyre.

CBSE Class 8 Social Science History Chapter 8 talks about such social evils and how society was freed from them.

- **Area of Concerns**

- ❖ The major area of concern was the gender discrimination in India at that time. Women were just treated same as commodities.
- ❖ Young girls were forced to marry with elderly men even before attaining 10 years of age. However manier time, the groom used to be a dying old men. After the death of the men, the widowed women were made to sit and die on the same pyre as that of their husbands'. This horrifying practise of burning innocent women to death was referred as 'Sati Dahan Pratha'.
- ❖ People were also divided in terms of caste. The upper castes of the society was of Brahmins and Kshatriyas. The traders and moneylenders were referred as Vaishyas and were placed under the upper castes.
