Maimonides's Yahweh Amy Karen Downey,2019-03-20 The life of Moshe ben Maimon Maimonides remains a mystery to many within evangelical Christianity However he is lauded as a second Moses by many within modern Judaism Does he deserve that title Maimonides s via negativa created a rationale for rejecting the messiahship claims of Jesus in Rabbinic Judaism Therefore this book seeks to illustrate that Maimonides in his desire to create an anti Christian apologetic regarding the incarnation fashioned a Judaism that does not reflect the truths of the Tanakh Old Testament and developed a Judaism that was untenable for the Jewish people of the twenty first century Many Jewish people today are turning in a thousand and one different directions for spiritual answers but not in the only way that will offer the way to God Jesus of Nazareth John 14 6 This work examines the history of Maimonides his teachings and an apologetic approach to bring the gospel back to the Jewish people Rom 1 16 *Congressional Record* United States. with a rich tradition in sociological thought it suggests that interactionist perspectives have remained largely absent in the study of institutions and how they contrast with and contribute to the broader field of research in institutional contexts With chapters on healthcare education markets and art and culture this text will be of interest to those studying institutions organisations and work in sociology and in business schools It will also be valuable for students of social theory interested in interactionism and in the challenges and opportunities of connecting complex theoretical discussions to real world examples
