Child Abuse What You Need To Know:

Child Abuse Evin M. Daly, 2014 An essential guide to understanding and preventing child abuse for parents and everyone who works with children *Is It Love or Is It Addiction* Brenda Schaeffer, 2009-08-07 A fresh updated and expanded edition of the book that changed the way we think about romance and intimacy Many of us confuse longing and obsession with true love Through two previous editions *Is It Love or Is It Addiction* has helped countless people find their way from the trials and confusion of addictive love to the fulfillment of whole and healthy relationships As the author reveals we can begin to work through relationship difficulties with compassion and lasting effect by increasing our awareness of the ways that we express love In this expanded third edition Brenda Schaeffer draws on years of feedback and new developments to foster an understanding of love addiction what it is and what it is not how to identify it and even more important how to break free of it Stories of real people struggling to develop sound relationships illustrate the characteristics of healthy love and help readers to free themselves to find real intimacy Included is the most up to date information about the biological basis of addictive behaviors and the impact of technology on intimate relationships The author also explores the influence of past abuse and trauma on the predisposition to love addiction [The Child Protection Practice Manual](#) Gayle Hann, Caroline Fertleman, 2016-01-14 Around 85 children die each year in the UK due to abuse or neglect A number of these deaths are later deemed preventable because the child involved was known to either social services or to a health professional Cases such as those of Baby P and Victoria Climbié highlighted the failings of these organisations ones set up to safeguard children It is the responsibility of every health professional worldwide to identify and respond to child abuse and yet that very responsibility is both emotionally and strategically challenging *The Child Protection Practice Manual* Training practitioners how to safeguard children equips professionals with the ability to recognise a child at risk and the knowledge of how to work with a child already suffering abuse Practical advice is offered on how to navigate the multi disciplinary processes Fictional case studies and exercises immerse the reader in scenarios Building on this the authors lead readers through learning points recommendations and legislation With new definitions in child protection ranging from child sexual exploitation gang violence radicalisation and internet bullying through to female genital mutilation witchcraft and spirit possession honour based violence and forced marriage this book will be a valuable resource for qualified paediatricians and those in training as well as professionals who have contact with children such as GPs nurses health visitors social workers midwives teachers lawyers and community workers *Violence and Crime* James F. Anderson, Kelley Reinsmith-Jones, Tazinski P. Lee, 2025-11-06 This book examines the critical connections between criminal justice and public health perspectives on violence and crime Violent crime involves not only criminal justice agencies but social agencies community groups and public and private healthcare organizations The authors provide a broad overview of prevalent forms of violence focusing on how criminal justice and public health perspectives converge in the examination of and response to these issues The book looks at

the nexus of public health with problems as varied as assaultive violence child abuse rape and sexual abuse interpersonal violence elder abuse suicide police violence teenage bullying workplace violence firearm injuries and opioid addiction The authors lay out a structure for an epidemiological approach to studying violent crime and offer policy recommendations for using both criminal justice and public health approaches to prevent violence This volume spotlights the connections between violent crime and public health and urges a consideration of public health in efforts to prevent and control violent crime It is ideal for courses on violence in criminology criminal justice sociology and social work and an invaluable tool for practitioners policymakers researchers advocates and community volunteers in criminal justice public health and social service
