

Chapter 3 sample Cambridge IGCSE questions with sample answers

Cambridge International Examinations bears no responsibility for the example answers to questions taken from its past question papers which are contained in this publication.

Cambridge IGCSE History 0470/01 Paper 1 Q6 a, b and c November 2006

We secured peace for our country for one and a half years. This was a definite gain for Russia and loss for Germany.

Stalin speaking in a radio broadcast in 1941.

- a)** What happened at the Munich Conference in 1938? (4)

The Munich Conference settled the fate of the Sudetenland and arguably the whole of Czechoslovakia. Germany was allowed to receive those parts of the Sudetenland where the population was made up mainly of Germans. This process was to take place during a 10-day period. The remainder of Czechoslovakia was to be guaranteed by Britain, France, Germany, and Italy once various territorial claims by Poland and Hungary had been resolved. In areas where there was uncertainty as to the dominant nationality plebiscites were to be held, supervised by an international commission.

In addition to the above arrangements, Hitler and Neville Chamberlain signed a separate memorandum pledging both powers to promote the peace of Europe and to use the "method of consultation" to resolve any mutual differences.

- b)** Why did Stalin sign the Nazi-Soviet Pact? (6)

In the summer of 1939 Stalin faced the choice of signing an alliance with Britain and France to deter German aggression or a 10-year non-aggression pact with Germany itself. Stalin's short-term ambition was to buy time while he completed his internal reforms, and rebuilt and re-equipped the Soviet army. In view of this the German offer appeared the most attractive and provided the bonus of eastern Poland. Stalin feared that if he signed the alliance with Britain and France then he would be drawn into war with Germany before his country was ready to fight. This might lead to a war on two fronts for Soviet Russia as Japan was a hostile neighbour in the east.

For these practical reasons Stalin signed a pact with a country that had made little secret of its total opposition to everything that communism stood for. It was a pact of convenience.
