

Section II Critical Reading and Analysis The Two-Party System

A. As You Read

As you read Section II, fill in the blanks below explaining how each feature contributes to the stability of the two-party system in the United States.

1. Historical Roots: the two-party system is a product of the early American political culture and the structure of the federal government.
2. Tradition: the two-party system is a long-standing tradition in the United States, and it is reinforced by the electoral college system.
3. Structural Factors: the electoral college system, the first past the post voting system, and the structure of the federal government contribute to the stability of the two-party system.
4. Ideological Consensus: the two-party system is a result of the ideological consensus that exists in the United States, where the two major parties represent the dominant political forces.

B. Reinforcing Key Terms

Define the following terms:

1. Political parties: groups of people who share common political goals and work to elect candidates to office.
2. Congressional committees: groups of members of Congress who are assigned to oversee specific areas of government.
3. Single-member districts: electoral districts in which voters elect a single representative to Congress.
4. Plurality: the number of votes received by the candidate with the most votes in a particular election.
5. Plurality voting: a voting system in which the candidate with the most votes wins the election.
6. Consensus: agreement or understanding between two or more parties or groups.
7. Ideology: a set of beliefs or principles that guide a person's actions and decisions.
8. Two-party system: a political system in which two major parties dominate the political process.
